C O R P O R A T E   H O S P I T A L I T Y

# UNITE. ENTERTAIN. GROW.

Firstly, may we take this opportunity to thank each of our 2021 corporate members for supporting the club, our players, and staff through what has been a challenging time for our community as the pandemic continues.

Like the 2020 NRL season, 2021 will be another for the history books. From games in empty stadiums, hubs in Southeast Queensland and our players and coaching staff living within a bubble; we as an industry have been continuously asked to adapt and overcome.

The one constant throughout it all, has been the unwavering support of our fiercely loyal supporters, members, corporate members and sponsors, who have backed us throughout the ups and downs as integral members of the Cowboys family.

It is with this support that we have been able to represent you and our North Queensland region on a national stage, while at the same continuing to invest and enrich the community which supports us.

From developing pathways for local rugby league talent, providing life-long memories and experiences for fans near and far; delivering wide-reaching educational and mental-health programs to young girls and boys and our NRL Cowboys House making a generational difference by providing access to education for Indigenous children from remote communities – all is made possible by your ongoing contribution to our club.

For the corporate members who have been with us from the start, you would have been witness to the evolution our corporate facilities have undergone from what we were able to offer at 1300SMILES Stadium to now in our state-of-the-art stadium, Queensland Country Bank Stadium.

Our coming of age in this space allows businesses the opportunity to experience a step up in their corporate entertaining and take advantage of being associated with North Queensland's most elite sporting team.

Our variety in hospitality options means regardless of your business size or goals, we have a entertainment option to suit you.

Our Centreline Club offers a unique, up-close and personal experience with access via the Field Club to a birds eye view of the team warm-up, run out and post-match media conference, as well as seats on the halfway line for during the game.

For businesses with networking goals, the Club Lounge is the perfect destination, offering premium hospitality for the rugby league lover.

For those wanting to be in the thick of the action, you can experience the thrills and spills from your own serviced external corporate box.

Our internal dining rooms, Shorty's and Bushrangers are the perfect options for entertaining guests or treating family and friends, while enjoying a modern hospitality experience.

If it's a more relaxed game-day offering you're after, the Terraces or HIT Sky Deck deliver some of the best views on offer within vibrant and social settings.

And for those looking for a more private experience, our luxury suites will deliver the pinnacle VIP Cowboys experience for your guests.

Looking ahead to the 2022 season, we will again provide you with a place to meet new business partners and gain access to industry leaders and decision makers within our community, during the 12 Cowboys home games played at Queensland Country Bank Stadium as well as the exciting events we host throughout the year.

We invite you to continue to be a part of, or experience for the first time, our unique Cowboys corporate family of North Queensland businesses and look forward to a year full of opportunities to unite, celebrate and grow together.

***Yours in North Queensland,***

**Lewis Ramsay**  
Chairman

**Jeff Reibel**
