# WELCOME

On behalf of the North Queensland Toyota Cowboys, we are proud to welcome you all to the 2024 Laurie Spina Shield, proudly sponsored by Localsearch.

Named in honour of the club's inaugural captain – Laurie Spina, the 27th staging of this iconic event sees 68 teams travelling from across North Queensland, Torres Strait, Central Queensland and the South East to participate in the two-day carnival.

We both have fond memories playing in the carnival as juniors, and it is great to see just how well our sport of rugby league is supported right throughout our community.

The Cowboys would like to thank the following organisations and individuals for their continued support of the Laurie Spina Shield:

- Localsearch
- Laurie Spina
- Cowboys Leagues Club
- StreetSmarts
- SKINS
- YETI
- Townsville City Council
- National Rugby League – Game Development Officers
- Queensland Rugby League
- Townsville and Districts Rugby League Referees Association
- Townsville Touch Football
- Stadiums Queensland
- Volunteers

Most importantly, a big thank you also goes to you – the teams, players, coaches, managers, first-aiders, parents and supporters. The carnival has become what it is today because of the passion and enthusiasm you all bring each year.

We hope everyone enjoys the 2024 Laurie Spina Shield – good luck!

# CODE OF CONDUCT

## CODE OF CONDUCT

The North Queensland Toyota Cowboys support the NRL Code of Conduct during the carnival, and we ask all teams to follow the code in play.

### PLAYER

- Be a good sport. Respect all good play whether from your team or the opposition and shake hands with, and thank, the opposition players and officials after the game – win, lose or draw.
- Participate for your own enjoyment and benefit.
- Always respect the Referee's decision.
- Never become involved in acts of foul play.
- Honour both the spirit and letter of the competition rules and live up to the highest ideals of ethics and sportsmanship; avoid gamesmanship, and respect the traditions of the game.
- Never engage in disrespectful conduct of any sort including profanity, sledging, obscene gestures, offensive remarks, trash-talking, taunting or other actions that are demeaning to other players, officials or supporters.
- Care for and respect the facilities and equipment made available to you during training and competition.
- Safeguard your health; don't use any illegal or unhealthy substances.
- Recognise that many Officials, Coaches and Referees are Volunteers who give up their time to provide their services. Treat them with the utmost respect.
- Do not bet or otherwise financially speculate, directly or indirectly, on the outcome or any other aspect of a rugby league match or competition in which you are involved.

### COACH

- Actively discourage foul play and/or unsportsmanlike behaviour by players.
- Seek to maximise the participation and enjoyment of all players regardless of ability; avoid the tendency to over-use a talented player; treat all players as equals, regardless of their talent.
- Show concern and caution towards all sick and injured players. Follow the advice of a physician and/or sports trainer to the letter when determining when an injured player is ready to recommence training or playing.
- Teach players that an honest effort and competing to the best of their ability is as important as victory.
- Maintain appropriate, professional relationships with players at all times.

- Maintain a thorough knowledge of the Laws of the Game and keep abreast of current coaching methods; maintain or improve your current accreditation level.
- Always consider the health, safety and welfare of the players.
- Teach young players to realise that there is a big gap between their play and the professional game; do not coach them as if they are professionals.
- Ensure that your coaching reflects the level of the competition being played; do not be a “win-at-all-cost” coach.
- As coach, conduct yourself at all times in a manner, and in all situations, that shows leadership, respect for the game of rugby league and respect for all those that are involved in the game – the players, officials, the fans, the parents, the referees and the media.

### **TEAM + CLUB OFFICIALS**

- Uphold the integrity of the game of rugby league at all times.
- Always act in a sportsmanlike manner, respecting opposition players, team and club officials and spectators.
- Make decisions in the best interests of the game of rugby league.
- Place the safety and welfare of players as the top priority.
- Accept responsibility for all decisions made.

### **PARENT/SPECTATOR**

- Condemn all violent or illegal acts, whether they are by players, coaches, officials, parents or spectators.
- Respect the referee's decisions – don't complain or argue about decisions during or after a game.
- Behave! Unsportsmanlike language, harassment or aggressive behaviour will not be tolerated.
- Encourage players to play by the rules and to respect opposition players and officials.
- Never ridicule or scorn a player for making a mistake – respect their efforts.
- Understand that sport is part of a total life experience, and the benefits of involvement go far beyond the final score of a game.
- Participate in positive cheering that encourages the players in the team you are supporting; do not engage in any cheering that taunts or intimidates opponents, their fans or officials.
- Remember that all participants are involved in the game of rugby league for their own enjoyment, not yours!
- At all times, follow the directions of the Ground Manager and/or other duty officials.
- Never arrive at a junior league game under the influence of alcohol, never bring alcohol to a junior league game and only drink alcohol, if it is available, in a responsible manner in the designated licensed area.
